

53rd National Square Dance Convention® Corporation

Educational Grant Application

Applications will be accepted from any organization or individual in the Colorado State Square Dance Association Council membership area.

Grant money can only be given for educational activities related to Traditional Square and Round Dancing, as defined in the Colorado State Folk Dance Act. Grant money will be paid directly to the grant recipient upon receiving copies of paid statements and/or receipts.

Grants will be judged by their educational merit, their overall benefit to the square dance activity, the number of people who could benefit from the project or activity, credibility and accountability. Grants will not necessarily provide 100% of the project funding.

Grants apply to activities started and completed during the 12 months following grant approval.
